3. Police Report

Deputy Mayor A Higgs welcomed the Inspector to the meeting.

The Inspector informed member that there is currently building work occurring at the station and as a result many officers are now working form other stations. There has been a new Sergeant appointed to Bargoed, Serg. Tom Delany.

Anti-Social Behaviour and illegal parking remain priorities within the area and operations are underway to tackle both of these priorities. Public Space Projection Orders are now being sought for the Morrison’s area in relation to ASB and numerous operations are being undertaken in regard to illegal parking, with 32 tickets issues in 2 days.

Concerns regarding vehicles accessing the road the wrong way at Aberbargoed Primary School were raised.

After lengthy discussions the Inspector was thanked for his time and left the meeting.

4. To welcome Lisa James, Senior Planner, CCCBC re Community Infrastructure Levy (CIL)

Mrs James was welcomed by the Deputy Mayor. Mrs James thanked council for allowing her the opportunity to attend this evening.

Mrs James gave an overview of the CIL. Bargoed is a low viability so in relation to any residential development no charges would be made. However, A1 and A3 developments would attract CIL monies and the Town Council would see approximately 15% of any funds. There is also a borough wide pot that enables service areas to bid for revenue for schemes.

Mrs James was thanked for her informative attendance and left the meeting.

5. To consider the minutes from the last council meeting and whether to approve as an accurate record of the proceedings.

Agreed as an accurate record.
