

Subject: Deposit LDP consultation

Please note proposals for consultation on the Deposit LDP - can you please advise your Members of the exhibitions in your area.

The consultation will go live on our website on Thursday 11th February 2016 for 12 weeks and there will be information provided on the process.

The documents were presented to Special Council on 3rd February 2016 and are available to view on our website (paragraph 4.58 of the main report details the statutory six week deposit period)

4.58 In terms of public involvement in the process, the Deposit Stage is the key stage in the plan preparation process. It is at this stage that members of the public can fully participate and make representations of support, or objection (or merely comment on), on the full set of policies and proposals for the County Borough. Moreover, it is at this stage that members of the public can ultimately indicate if they would wish to appear at the Examination in public, and outline their representations directly to the Independent Inspector. Elected Members can also make formal representations in respect of specific issues during the six week statutory consultation process in the same way as any other stakeholder can. Any representations made during the six week consultation will then be considered by the Inspector at Examination.
