Present:  Councillor J Weeks (Mayor)  
Councillor J Edwards (Deputy Mayor)  
Councillors G James, D Davies, A Farina-Childs, N Turner, R Weeks, W Baber, Z Hammond, A Short & M Gwynne

1. Apologies for Absence

Apologies for Absence were received from Councillors C Erasmus, D Jones, J Griffiths & P Cook

2. Declarations of Interest

Declarations of Interest were made by Councillors D Davies & W Baber in respect of Applications for Financial Assistance under Item 9 on the Agenda (Minutes of Policy & Finance Committee) as members of British Legion & Moose International Blackwood and by Councillors A Farina-Childs & G James as members of Moose International.

3. Police Report

The Clerk reported that he had received apologies from Inspector Steve Drayton, who is on leave and Sergeant Philip O’Connell who unfortunately has a previous commitment.

He also reported that he had invited Lee Morgan (Caerphilly CBC Licensing Section) to the meeting to update members on the ongoing taxi problems in town, and had received the following e-mail:

Thank you for your invitation to attend the Town Council meeting on Monday 9th April, unfortunately I am unable to attend on this occasion due to personal commitments. However I can confirm that following contact from you on the 21st February 2018, that Licensing Officers spoke to Mr Robert Salter, the proprietor of Relay taxi’s in person at the council offices on the 28th February 2018 concerning the issues you had raised.

I then wrote to Mr Salter confirming that conversation, sending the letter by post and e-mail on the 1st March 2018. A copy of the letter sent to Mr Salter was also sent to Inspector Drayton at Gwent Police.

I subsequently attended an ‘After Dark’ meeting at Blackwood Police Station on the 15th March 2018, also attended by local Members where reference was made to an ‘improvement’ or a lack of further complaints in respect of licensed vehicles inappropriately parking in the town. I’d hoped that some improvement had been achieved following advice provided. However if you have information to suggest otherwise, then I would encourage you or the complainant to contact the Police concerning illegal / irresponsible parking in the first instance. I am aware that Gwent Police are active in this respect and promote their work in respect of illegal parking/obstruction in local communities via Social Media.

I hope that this will assist in providing meeting attendees with an update.

Whilst appreciating the update, several members reported ongoing issues regarding the unpleasant behaviour of certain drivers towards members of the public, and the number of taxis parked in and around the bus station. After some discussion it was agreed the Clerk write to the Licensing Section seeking clarification on the number of taxis allowed to park there and the times and duration allowed.

4. Mayoral Announcements

   In respect of the Opening/ Closing of the gates at the Showfield, Councillor A Farina-Childs informed members the 3G Pitch was likely to be in use from October/November, and was still hopeful that if the School were allowed to use the Showfield for parking, this matter could be resolved.

   The Clerk presented the Minutes and it was **resolved** they be received.

   In respect of the applications for financial assistance it was **agreed** the following grants be awarded.

     - £200
   - **Keep Wales Tidy**
     - £350
Having already declared their interest in this matter, Councillors D Davies, W Baber, A Farina-Childs & G James took no part in the decision making regarding Moose International (Blackwood) Blackwood & District British Legion.

During deliberation it had been noted that Town Council had previously agreed support of £500 towards the After Dark Team’s proposed pub breathalyser project which had unfortunately never progressed, and so it was agreed to support their planned Graffiti project over the Easter holiday period.

The Clerk reported that having queried the invoice in respect of the hanging baskets in town, highlighted at the last Town Council meeting, he had managed to agree a reduction in line with last year’s costs. However, whilst in correspondence he had been informed that Caerphilly C.B.C. would no longer be organising the filling, placement and watering of the baskets on behalf of town/community councils and that we would have to organise this ourselves if we wished to continue. The Clerk had checked his e-mails and had not received this information that was apparently sent on 13th December. On reporting same to CCBC they checked and admitted they had used a wrong e-mail address and apologised for the oversight.

A copy of this e-mail had recommended contact be made ASAP with Boverton Nurseries (for supply of plants) and J S Lee Ltd. (for the erecting and watering). Having made initial contact earlier in the day with these companies, it is obvious that the existing budget of £3,350 will not be sufficient and if members wish to continue with the provision of baskets an additional sum of approximately £1,500 will be necessary. He proposed this could be funded from savings/balances for the next financial year and further discussion as to how to proceed discussed at a later date.

After some discussion members agreed continuation of the hanging baskets for next year in line with the Clerk’s proposal.

10. To Receive the Minutes of the Events Committee Meeting held on 26th March 2018

The Clerk and Chair presented the Minutes, and the following were agreed –

The event should be better advertised, and whilst working with the Borough Events team, we should also separately promote the Carnival and our entertainment stage wherever possible.

We look to purchase new banners (to consider large cross street also), arrange separate posters and fliers and arrange radio coverage via Capital, Heart & Valleys radio stations.

We run with a Hawaiian/Holiday theme, thus complimenting the Beach Party vibe.

Entrants be made fully aware that they must abide by the Events Committee ruling regarding costumes etc. On the basis that we are unlikely to gain sponsorship, it was tentatively agreed we purchase dresses/costumes for selected Queen/Court.

We try and encourage entrants into the parade cash/voucher prizes be awarded for possibly 3 categories – Adult/Children/Group.

That organisations that had supported the event over the years be offered first refusal on the pitches made available on the High Street running from Argos towards the Flour Mill, and that ideally they be free of charge, or if C.C.B.C. insist a charge be made, to be consistent with their policy, then a nominal charge and/or refundable deposit

The Dinosaur Show be booked for the Saturday of the Carnival, and possibly positioned near Preachers Bar, thus close to our Entertainments Stage (alongside Argos) in front of the Methodist Church and the Beach. Hopefully on the Sunday, the Churches Group Puppets might occupy the same spot. We would now need to provide entertainment over 2 days, and members were asked to consider possible acts, albeit C.C.B.C. were also willing to assist us with this.

Members were eager that at the next meeting responsibilities should be identified for all, meaning the workload being better shared than in previous years. Prior to that, Councillor Z Hammond volunteered to work on a suitable poster for the Town Council activities, and also use a similar design for the application forms for Queen/Court.

The Clerk reported that Caerphilly C.B.C. had been successful in attracting additional funding towards the event this year, and were willing to acquire a Steel Band for both days as part of the entertainment. They had also suggested that to improve the parade perhaps we try to encourage local schools, community groups, shops etc. to decorate a supermarket trolley in the agreed theme, and that these trolleys are pushed in the parade and then judged, with perhaps prizes made available. Members were in general support of this suggestion and it was agreed to make the necessary arrangements with local supermarkets for loan of trolleys and advertise same.
With regard to the Velvet Coalmine Children’s Literature Festival, members agreed that ideally the community should become more involved and supported the Clerk’s suggestion for the Schools and Theatre Groups to concentrate productions around the Festival week if at all possible, and agreed that Town Council Events Committee organise a Close of Festival Event similar to that outlined - Local Choir/ Singers together with Zim Voices (with any shortfall met by the Committee budget).

Members highlighted that the recently refurbished Libanus Lifestyle Centre might be worthy of consideration as a potential venue for some events in the future.

11. To Receive the Minutes of the Blackwood Town Centre Management Group Meeting held on 19th September 2017

It was resolved the minutes be received.

12. Vacancy on Town Council – Blackwood South Ward & Governor Vacancy at Ysgol Cwm Derwen

The Clerk reported that a further Notice was posted on the Notice board requesting expressions of interest in Co-option to Town Council be forwarded to him by the closing date of Wednesday 4th April.

One expression of Interest has been received from Rhys Mills, 44 Caerbryn, Pentwynmawr, Newbridge NP11 4EL by the advertised deadline, however, a further expression had been received earlier in the day from Mr T Evans, 13 Westgil Pennffordd, Park Hill Estate, Blackwood NP12 1QS.

Some members queried whether this new expression of Interest could be considered, given that Mr Evans had been on holidays and thus missed the deadline. Other members pointed out that this was the second Notice inviting expressions of Interest, and after some discussion it was agreed this late interest should not be considered, albeit Mr Evans be borne in mind for any future co-option.

The Clerk read the correspondence from Mr Rhys Mills, and after some discussion it was agreed that given the comprehensive information supplied and the fact he was known by many existing members that he be co-opted without interview and invited to take his place at Council at the Annual General Meeting.

Regarding the Governor Vacancy at Ysgol Cwm Derwen it was agreed Councillor Noel Turner be appointed. Councillor M Gwynne declared an Interest as a Governor at the School and took part in the decision making.

Members queried if there was also a vacancy at Ysgol Bro Sannan following Councillor Jim Criddles untimely death, and it was agreed the position be clarified at the AGM.

13. Independent Remuneration Panel for Wales Annual Report (See Minutes for proposals)

The Clerk referred members to the Minutes of the last meeting which highlighted the new proposals and reminded members that Determination 44 could not be decided by Council but was a personal issue for individual members.

Determination 44: Community and town councils in Groups A and B (Blackwood Town Council come within this Group) must make available a payment to each of their members of £150 per year for costs incurred in respect of telephone usage, information technology, consumables etc.

Determination 47: Community and town councils in Groups B or C are authorised to make an annual payment of £500 each to up to 5 members in recognition of specific responsibilities. This is in addition to the £150 payment for costs and expenses if that is claimed.

In respect of Determination 47, it was agreed no payments in respect specific responsibilities be made.

Determination 48: Community and town councils are authorised to make payments to each of their members in respect of travel costs for attending approved duties. Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below: • 45p per mile up to 10,000 miles in the year. • 25p per mile over 10,000 miles. • 5p per mile per passenger carried on authority business. • 24p per mile for private motor cycles. • 20p per mile for bicycles.

**In respect of Determination 50, it was agreed no such payments be made**

**Determination 51**: All community and town councils must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs up to a maximum of £403 per month. Reimbursement must be for the additional costs incurred by members in order for them to carry out their approved duties. Reimbursement shall only be made on production of receipts from the carer.

**In respect of Determination 51, Town Council must provide for reimbursements as and when they occur**

In respect of Determinations 52 & 53, Councillors J Weeks, R Weeks & J Edwards declared their Interests as Mayor ( & spouse ) and Deputy Mayor, left the meeting and took no part in discussion or decision making.

**Determination 52**: Community and town councils are authorised to provide a Civic Head payment to the mayor/chair of the council up to a maximum of £1,500 to undertake the functions of that office. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

It was proposed by Councillor W Baber and seconded by Councillor M Gwynne that the payment to the Mayor be increased to £600 per year. An amendment was made by Councillor A Farina-Childs and seconded by Councillor Z Hammond that the payment to the Mayor remain at £400. A Recorded vote was requested. The amendment was supported by Councillors A Farina-Childs, Z Hammond, N Turner, D Davies & A Short. Councillors W Baber & M Gwynne voted against the amendment and Councillor G James abstained. The original proposition was supported by Councillors W Baber & M Gwynne. Councillors A Farina-Childs, Z Hammond, N Turner, D Davies & A Short voted against the proposition and Councillor G James abstained.

**In respect of Determination 52, the authorised payment to the Mayor remains at £400**

**Determination 53**: Community and town councils are authorised to provide a Deputy Civic Head payment to the deputy mayor/deputy chair of the council up to a maximum amount of £500 to undertake the functions of that office. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

**In respect of Determination 53, it was agreed no payment be made to the Deputy Mayor**

There is also a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments. This information must be published on council notice boards and/or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the year to which the payments relate. The Panel draws attention to the requirements stipulated at Annex 4. The Panel is concerned that a significant number of councils are in breach of this requirement.

14. **To Discuss Proposed Meeting with Partner Agencies & Other Interested Parties regarding the Chartist Bridge**

The Clerk reported that he had received information from County Councillor Kevin Etheridge that he had attended a meeting with the Caerphilly C.B.C. Highways Engineer two months ago, and had received answers to 23 questions he had asked. He had been invited to meet with the Engineer following submission of these questions at relatively short notice and did not have opportunity to request Town Council representation. Having contacted the several residents who had raised some of the issues with the responses received, the issue has not progressed further.

The Clerk apologised for not identifying the original e-mail previously, but thought before Town Council went ahead and looked to organise any meeting with partner agencies etc. members should be aware of the questions raised and the answers given, as many presumably would be the same/similar to potential questions we might look to ask at any meeting. Furthermore, unless there are substantially additional queries to those already raised, the likelihood of a positive turnout to and outcome of any proposed meeting may be compromised.
The Clerk provided copies of the questions and responses received, and after some discussion it was agreed the proposed meeting be postponed so that members have time to reflect on the information now received and the matter be revisited for further consideration, possibly at a Special Meeting to decide the best course of action.

16. Reports

Members gave a brief report of the Blackwood Town Centre Management Group meeting.

The Terms of Reference for the Group do not allow a Deputy to attend in the place of one of the Town Council’s two nominated representatives, and given there is very little likelihood of the meeting times being amended, perhaps Town Council should take this into consideration when nominating at the AGM.

The majority of the meeting was devoted to the planning proposals in respect of the Former Red Lion Site, and the Clerk provided copies of the design/plans for members to peruse.

Members again referred to the continued problems at the Bus Station toilets, and asked when the Working Group would re-convene, as serious consideration should in the future be given to the Town Council paying for an attendant.

It was reported that Risca Town Council had apparently employed an attendant quite recently, and other members were aware Abertillery employed an attendant.

The Clerk stated he would contact both Risca & Abertillery to establish costs etc. and look to call a meeting next month.

Councillor A Farina-Childs reported that outstanding lanyards should be ready for the AGM, and also asked that the provision of Grit bins be placed on the agenda for the June meeting.

17. Date of Annual General Meeting

The Clerk reported that the date of the AGM would normally have been Monday May 14th. (The first Monday 7th. May being a Bank Holiday) however, due to miscommunication the Clerk is on leave from Wednesday 9th – Thursday 17th. May. Members were asked to consider possible alternative dates.

After a short discussion it was agreed the Annual General Meeting be held on TUESDAY 8TH. MAY
