

Winding Engine

Running Times 2020

The Winding House Museum is built on the site of the former Elliot Colliery and its centre-piece is the original Victorian winding engine. This remarkable piece of machinery was used to operate the cages that transported men and coal between the surface and the mine below. Our dedicated and enthusiastic volunteers maintain and run the engine for the public on the last Saturday of the month.

THE HISTORIC WINDING ENGINE WILL RUN ON THE FOLLOWING DATES IN 2020:

Saturday 25th January
Saturday 29th February
Saturday 28th March
Saturday 25th April
Saturday 30th May
Saturday 27th June
Saturday 25th July
Saturday 29th August
Saturday 26th September
Saturday 31st October
Saturday 28th November

THE ENGINE RUNS AT 12PM FOR 10 -15 MINUTES

PLEASE NOTE: Engine Runnings are dependent on availability of our dedicated volunteer team. On very rare occasions, runnings may not take place due to unforeseen circumstances. Please call us to confirm in advance of your visit. Thank You.

The engine can also be run for special interest groups by prior arrangement - contact us to find out more!
